MR. WILLIAM F. CRAIG,
DIRECTOR OF REGISTRATION,
STATE HOUSE,
BOSTON, MASSACHUSETTS.

Dear Sir:

The "Board of Registration of Certified Public Accountants" desires to submit to you its first annual report, as follows:

In accordance with Chapter 470, of the Acts of 1923, an act relative to the registration of Public Accountants, the following Board was appointed by His Excellency, Governor Channing H. Cox, on August 24, 1923, and was confirmed by the Executive Council at its meeting, September 5, 1923:

Edwin L. Pride	For a term of 5 years
Daniel B. Lewis	" " " " 4 "
George L. Bishop	" " " " 3 "
Patrick F. Crowley	" " " " 2 "
James J. Fox	" " " " 1 year.

All of the above named met on September 10, 1923 for the purpose of organization; at which meeting Mr. Pride was chosen "Chairman," and Mr. Lewis was chosen "Secretary" of the Board for the ensuing year.

During the year the Board held twenty-four formal meetings, as well as a number of informal meetings having a minority of the members of the Board present; for discussion of various matters.

Prior to the creation of this Board all matters pertaining to the registration of Public Accountants in this State had been under the jurisdiction of the Commissioner of Banks. Early in 1923, the Commissioner of Banks issued new certificates, totaling three hundred and forty-five (345), to all registered Certified Public Accountants. On September 5, 1923 three (3) of these certificates had been vacated by death, so that at the time the Board was created there were three hundred and forty-two (342) holders of certificates as "Certified Public Accountants" in Massachusetts.

The first certificate issued by the new Board was numbered 346, and was issued on October 8, 1923 to Mr. Francis J. Harrigan; Mr. Harrigan having passed the previous examination.

In accordance with due notice given to applicants, examinations arranged by the Board were held at Ford Hall, Boston, Mass., on November 20 and 21, 1923. A total of three hundred and fifteen (315) candidates presented themselves for examination; representing one hundred and thirty-four (134) candidates who had previously taken an examination and had failed, and one hundred and eighty-one (181) candidates who were new applicants. Of the candidates being re-examined, there were ten (10) who were being re-examined in the single subject of Auditing, and one (1) who was being re-examined in the single subject of Commercial Law. As a result of this examination, forty-eight (48) candidates were immediately registered as Certified Public Accountants. In addition, there were twenty-eight (28) candidates who successfully answered the questions and passed the examination, but whose certificates were withheld, pending the fulfillment of the requirement of the Board in regard to "Practical Experience". There were sixteen (16) candidates who passed in

all subjects except Auditing, and who will be required to take a subsequent examination in Auditing only. There were five (5) candidates who passed in all subjects except Commercial Law, and who will be required to take a subsequent examination in Commercial Law only.

In addition to the forty-eight (48) candidates who were immediately certified as a result of the examination, the Board has issued certificates to twenty-two (22) candidates who passed the examination in this or in some previous year, but whose certificates were withheld pending the fulfillment of the requirement of the Board in regard to "Practical Experience". The last certificate issued by the Board up to the date of this report (October 31, 1924) was numbered 415. According to the records of the Secretary on this date, there are four hundred and nine (409) holders of Massachusetts certificates as "Certified Public Accountants".

The Board has in its files the names of several hundred unsuccessful applicants, many of whom have not appeared for the last three examinations. The Board, at its meeting on November 5, 1923, adopted the following rule:

"An applicant who fails at an examination conducted by this Board shall be eligible for re-examination upon the payment of a fee of ten (\$10.00) dollars, but if said applicant after being given due notice does not present himself for re-examination within two years, he shall not be eligible for such re-examination, except by filing a new application and payment of a twenty-five (\$25.00) dollar fee, unless special permission for absence from two successive examinations is granted by the Board."

At its meeting on April 10, 1924, the Board unanimously voted to cancel the certificate of Joseph S. Luther, after having granted a hearing to Mr. Luther, as provided by Section 61, Chapter 478, of the Acts of 1921.

The Board has also had before it on numerous occasions, persons engaged in public practice who have been styling themselves as Certified Public Accountants of some other State or of the National Association. In all such cases the Board has admonished the individual that such practice is a violation of the law, and in each case has received the word of the individual that such practice would be discontinued.

The Board feels that the matter of practice in this State by a Certified Public Accountant of another State, may not be clear to many. We quote from the opinion of the Attorney General of Massachusetts in this regard, as it is under this opinion that the Board acts:

"The change is significant. Formerly Section 39 provided punishment for one who falsely represented that he was registered under Section 37. It may be assumed, without deciding, that one who described himself as registered in another State did not violate this provision. See opinion, Attorney General to Bank Commissioner, August 2, 1918. Section 39 as amended now punishes one who designates or holds himself out as a Certified Public Accountant *unless* he is registered under Section 37. It seems plain that one who designates or holds himself out as a certified public accountant does not cease to do so because he adds words or letters which sufficiently indicate that he is registered in another State. To designate or hold himself out as a certified public accountant of that State manifestly embraces and includes designating or holding himself out as a certified public accountant. He, therefore, commits the offense made punishable by Section 39 as amended, unless he is registered under Section 37.

Your inquiry whether a foreign certified public accountant who 'solicits or receives business in any way in Massachusetts' commits an offense under Section 39 as amended, presents questions of fact upon which it is not my province to pass. The statute does not forbid a certified public accountant from another State to receive or do business here if he obtains and does that business without violating Section

37 as amended. It does forbid him to designate or hold himself out as a certified public accountant in this State if he is not registered under Section 37. In this aspect the answer to your inquiry depends upon the facts of each case.

Yours very truly,

(Signed)

J. WESTON ALLEN,
Attorney General."

It is the desire of the Present Board to promote the welfare of certified public accountants registered by it. Disagreeable though the task is in many cases, the Board feels it its duty to restrict the practice of certified public accountants in this State to conform with the laws in relation thereto. Instances of violation of the law in this or any other respect, when brought to the attention of the Board, will receive the thorough attention and consideration of the Board.

At the time of this report, the Board is planning its second annual examination, to be held at Ford Hall, on Wednesday, December 10th, and Thursday, December 11th, 1924.

We append to this report a copy of Chapter 470, of the Acts of 1923, and an alphabetical list of Certified Public Accountants; showing the name, number of certificate and date of issue.

Respectfully submitted,

BOARD OF REGISTRATION OF CERTIFIED PUBLIC ACCOUNTANTS.

By DANIEL B. LEWIS,
Secretary.

ACTS, 1923.—CHAPTER 470.

AN ACT RELATIVE TO THE REGISTRATION OF PUBLIC ACCOUNTANTS.

Be it enacted, etc., as follows:

SECTION 1. Chapter thirteen of the General Laws is hereby amended by adding at the end thereof under the title, "Board of Registration of Certified Public Accountants", the following three new sections:—*Section 33.* There shall be a board of registration of certified public accountants, in the two following sections called the board, consisting of five persons, residents of the commonwealth, four of whom shall be registered certified public accountants and shall have been for seven years actively engaged in the practice of public accountancy, and one an attorney at law who has been for seven years actively engaged in the practice of law.

No member of said board shall belong to the faculty of any school of accountancy or be financially interested in the management of any such school or similar institution. Upon the expiration of the term of a member thereof, his successor, qualified as aforesaid, shall be appointed by the governor, with the advice and consent of the council, for a term of five years.

Section 34. The members of the board shall hold meetings at such time as they shall determine and shall annually choose from their own number a chairman and a secretary.

Section 35. There shall be paid by the commonwealth to the chairman and secretary a salary of one hundred and fifty dollars each and to each of the other members of the board a salary of one hundred and twenty-five dollars. Said compensation and any other expenses necessarily incurred by the board or any member thereof shall be paid by the commonwealth; provided, that such compensation and expenses shall not be in excess of the annual receipts for examination and registration paid to the commonwealth by the board.

SECTION 2. Chapter one hundred and twelve of the General Laws is hereby amended by inserting after section eighty-seven under the title, "Registration of Certified Public Accountants", the following five new sections:—*Section 87A.* The board of registration of certified public accountants, in this and the four following sections called the board, shall examine applicants for registration as certified public accountants. It shall make such rules and regulations as are necessary for the proper conduct of its duties. The board shall keep a full record of its proceedings, and a registry of all persons registered by it which shall be open to public inspection. A duplicate list shall also be open to inspection in the office of the state secretary. The board shall make an annual report.

Section 87B. The board shall examine any citizen of the United States resident in the commonwealth and not less than twenty-one years of age, who may apply for a certificate, shall investigate his character and fitness, and shall require the payment of a fee of twenty-five dollars. The fee for re-examination shall be fixed under regulations made by the board.

Section 87C. Any applicant whom the board deems to have the necessary qualifications and professional ability shall be registered as a public accountant by the board and shall receive a certificate thereof signed by the chairman and secretary of the board.

Section 87D. A public accountant, registered under the provisions of the preceding section or corresponding provisions of earlier laws, may, if the certificate issued to him, under said provisions has not been suspended or revoked, style himself "Certified Public Accountant."

Section 87E. No person, not registered under the provisions of section eighty-seven C or corresponding provisions of earlier laws, shall designate himself or hold himself out as a certified public accountant. No partnership

unless all of its members are registered under said provisions, and no corporation, shall use the words "certified public accountant" in describing the partnership or corporation or the business thereof; provided, that any partnership or corporation may represent that a specified person registered under said provisions is a member of such partnership or is in the service of such partnership or corporation. Any violation of this section shall be punished by a fine of not more than five hundred dollars or by imprisonment for not more than six months, or both.

SECTION 3. Sections thirty-five to thirty-nine inclusive, of chapter ninety-three of the General Laws, as amended by chapter three hundred and ninety-five of the acts of nineteen hundred and twenty-two, are hereby repealed.

SECTION 4. The initial appointments of the members of the board of registration of certified public accountants provided for by this act shall, as soon as may be after this act takes effect, be so made by the governor, with the advice and consent of the council, that the term of one member shall expire annually. All such initial appointees shall be qualified as provided in this act.

SECTION 5. All rules and regulations in effect at the time this act takes effect shall continue in full force until changed in accordance herewith.

STATE HOUSE, BOSTON

ANNUAL REPORT

November 30, 1925.

MR. WILLIAM F. CRAIG,
DIRECTOR OF REGISTRATION,
STATE HOUSE,
BOSTON, MASSACHUSETTS.

Dear Sir:

In compliance with statutory requirements, the Board of Registration of Certified Public Accountants has the honor of submitting to you its second annual report as follows:

Since the creation of the Board in 1923, the terms of James J. Fox and Patrick F. Crowley expired in 1924 and 1925, respectively. They both have been reappointed by the Governor and their appointments confirmed by the Executive Council for a term of five (5) years, and as at the date of this report the Board consists of the following:

George L. Bishop	Term expires in 1926
Daniel B. Lewis	" " " 1927
Edwin L. Pride	" " " 1928
James J. Fox	" " " 1929
Patrick F. Crowley	" " " 1930

At the meeting of the Board on September 28, 1925, Mr. George L. Bishop was unanimously elected Chairman, and Mr. James J. Fox was unanimously elected Secretary of the Board for the ensuing year.

During the period from October 31, 1924 to November 30, 1925 (the period covered by this report) the Board has held seventeen (17) formal meetings as well as a number of informal meetings not recorded in the minutes, having a minority of the members of the Board present for a discussion of various matters.

In accordance with due notice given to applicants, examinations arranged by the Board were held at Ford Hall, Boston, Mass., on December 10th and 11th, 1924. A total of three hundred and forty-seven (347) candidates presented themselves for the examination, representing one hundred and eighty-three (183) candidates who had previously taken the examination and had failed, and one hundred and sixty-four (164) candidates who were new applicants. Of the candidates being re-examined, there were sixteen (16) who were being re-examined in the subject of "Auditing" only and six (6) who were being re-examined in "Commercial Law" only. These candidates had successfully passed in the other subjects at some previous examination. As a result of this examination forty-nine (49) candidates were found to have satisfactorily answered the questions and to possess the necessary qualifications, and certificates were issued to them. Twenty-eight (28) candidates were found to have successfully passed the entire examination but did not possess the necessary qualifications, and their certificates were withheld pending their fulfillment of the requirements of the Board. There were six (6) candidates who passed in all subjects except "Auditing," who will be required to take a subsequent exami-

nation in Auditing only. There were fifteen (15) candidates who passed in all subjects except "Commercial Law" who will be required to take a subsequent examination in Commercial Law only.

Including those candidates who were registered as the direct result of the December, 1924, examination, the Board has considered the applications of many candidates whose certificates were being withheld pending their fulfillment of the requirements of the Board, and many of these have been acted upon favorably. During the period covered by this report the Board has issued a total of seventy-five (75) certificates. The last certificate issued by the Board up to the date of this report is numbered 490. According to the records of the Secretary, as at this date, there are 482 Certified Public Accountants.

The death of a registered Certified Public Accountant is not always brought to the attention of the Board until the annual report of the Board is sent out. Our list may, therefore, contain the names of some who have passed on during the year. The Board would appreciate the co-operation of all Certified Public Accountants in notifying it of the death of any Certified Public Accountant of Massachusetts, in order that the records may be kept up to date at all times.

At its meeting on November 10, 1924, the Board voted to reinstate Mr. Joseph S. Luther as a Certified Public Accountant and certificate No. 416 was issued to him as of that date.

As in the previous year, the Board has had before it on numerous occasions persons engaged in public practice who have been styling themselves "Certified Public Accountants," contrary to the laws of this State. The Board is constantly in receipt of complaints of this character, and again the co-operation of all duly registered Massachusetts Certified Public Accountants is solicited in order that the Board may carefully and faithfully perform its duties. The question of practice within the Commonwealth of Massachusetts by individuals who are not Certified Public Accountants of Massachusetts, but who hold a certificate granted by some other State, is one which in many instances is difficult for the Board to deal. The position of the Board, however, as conveyed to it by the interpretation of the Attorney General, is clear. In one instance during the year the Board has been complained of to the Governor of the Commonwealth, because of its admonition to one who was practising as a Certified Public Accountant of Massachusetts without having been duly registered. The position of the Board was carefully presented to the District Attorney of Suffolk County, and when the case came up in court it was placed on file. This part of the work of your Board is disagreeable and unpleasant in that it often brings down upon the Board unfair and unjust criticism of its work, which is performed solely in the discharge of its duties.

For the past several years the examinations of the Board have been held in November or December. No examination has been held during the year 1925 and none is planned until the early Summer of 1926. This postponement is made at the request of the Commission on Administration and Finance, and is due to confusion in regard to the budget appropriation available for this Board. Budget appropriations are enacted into law usually in April, and by postponing its examinations until after that date the Board will be in a position to know the appropriation under which it may carry on its work.

We append to this report an alphabetical list of Certified Public Accountants, showing the number of certificate, name, and date of issuance.

Respectfully submitted,
BOARD OF REGISTRATION OF CERTIFIED PUBLIC ACCOUNTANTS.

By JAMES J. Fox,
Secretary.

ANNUAL REPORT

MR. WILLIAM F. CRAIG,
DIRECTOR OF REGISTRATION,
STATE HOUSE,
BOSTON, MASSACHUSETTS.

Dear Sir:

In compliance with statutory requirements, the Board of Registration of Certified Public Accountants has the honor of submitting to you its third annual report as follows:

The Board at present consists of the following members:

George L. Bishop	Term expires	1926
Daniel B. Lewis	" "	1927
Edwin L. Pride	" "	1928
James J. Fox	" "	1929
Patrick F. Crowley	" "	1930

At the present writing the term of Mr. George L. Bishop has expired but his successor has not as yet been appointed.

At a meeting of the Board held October 14, 1926, Mr. Daniel B. Lewis was unanimously elected Chairman and Mr. James J. Fox was unanimously elected Secretary of the Board for the ensuing year.

During the year covered by this report the Board has held ten formal meetings as well as a number of informal meetings not recorded in the minutes, having a minority of the members of the Board present for discussion of various matters.

In accordance with due notice given to applicants and public press notices, the Board held a written examination in the following subjects on May 13 and 14, 1926 at Horticultural Hall, Boston:

May 13 Auditing 9 A. M. to 12:30 P. M.

" " Accounting Theory and Practice Part I 1 to 6 P. M.

May 14 Commercial Law 9 A. M. to 12:30 P. M.

" " Accounting Theory and Practice Part II 1 to 6 P. M.

Two hundred and eighty-seven (287) candidates paid the examination fee, three of whom did not present themselves for various reasons. Of the two hundred and eighty-four (284) present

160	were first	time	candidates
60	" second	" "	
37	" third	" "	
10	" fourth	" "	
9	" fifth	" "	
5	" sixth	" "	
2	" seventh	" "	
1	was eighth	" "	

Twenty of the above were examined in one subject only; fourteen in Commercial Law and six in Auditing, they having passed the other subjects at a previous examination.

As a result of the examination forty-six (46) candidates were found to have satisfactorily answered the questions and to possess the necessary qualification and certificates were issued to them.

Twenty-seven (27) candidates were found to have successfully passed the entire examination but did not possess the necessary qualification, and their certificates were withheld pending their fulfillment of the requirements of the Board.

There were fourteen (14) candidates who passed in all subjects except Auditing who will be required to take a subsequent examination in Auditing only.

There were thirty-four (34) who passed in all subjects except Commercial Law who will be required to take a subsequent examination in Commercial Law only.

At a meeting of the Board on November 30, 1925 the re-examination fee in all subjects was raised from \$10.00 to \$25.00. The fee for re-examination in one subject was made \$10.00.

The increase in the re-examination fees was evidently responsible for the decrease in number of candidates this year. The past three years' record is as follows:

November 1923	315 candidates examined
December 1924	347 " "
May 1926	287 " "

During the year covered by this report there were fifty-three (53) certificates issued, the last one being numbered 543. According to the records of the Secretary there are at this date 534 active certificates. Nine have lapsed by death or other causes.

We append to this report an alphabetical list of certificates issued since last report, showing the certificate number, name and date of issuance.

Respectfully submitted,

BOARD OF REGISTRATION OF CERTIFIED PUBLIC ACCOUNTANTS.

JAMES J. FOX,
Secretary.

ANNUAL REPORT

November 30, 1929.

MR. WILLIAM F. CRAIG,
DIRECTOR OF REGISTRATION,
STATE HOUSE, BOSTON, MASSACHUSETTS.

Dear Sir:—

The Board of Registration of Certified Public Accountants has the honor of submitting to you its sixth annual report as follows:

The Board at present consists of the following members:

	Terms expire
Patrick F. Crowley, Chairman	1930
James J. Fox, Secretary	1934
Charles F. Rittenhouse	1931
Daniel B. Lewis	1932
Pitt W. Danforth	1933

During the year covered by this report, nine formal and other informal meetings were held.

The practice of holding regular monthly meetings was recently adopted. These meetings are devoted to the consideration of the applications for certificates from those who have passed the written examination but whose certificates have been withheld until such time as the candidate meets all the requirements of the Board, and to various other matters of business requiring action by the Board.

It is a common misunderstanding that a certificate is automatically issued to one who has passed the written examination and has had two years experience in public practice. This is not correct. Each applicant is judged on his or her own merits and must satisfy the Board, either by personally appearing before them with sufficient evidence or by submitting proper credentials that they merit being registered as a Certified Public Accountant.

In Section 87 C of Chapter 470, Acts of 1923, reference is made to "the necessary qualifications and professional ability" of the candidate. Under Section 87 B, it is our duty to "investigate his character and fitness".

The importance of this duty of investigating the general character and ability of candidates cannot be over-emphasized if proper professional standards are to be maintained.

The assistance and co-operation of members of the profession is often sought in arriving at the final decision of the Board, and it is earnestly desired in all cases, to the end that our work may be thoroughly and conscientiously performed.

The Board held its annual advertised written examination on May 16 and 17, 1929, at Horticultural Hall, Boston, Massachusetts as follows:

May 16—Auditing, 9:00 A.M. to 12:30 P.M.

" 16—Accounting Theory and Practice, 1:00 to 6:00 P.M.

" 17—Commercial Law, 9:00 A.M. to 12:30 P.M.

" 17—Accounting Theory and Practice, 1:00 to 6:00 P.M.

One hundred and ninety-two (192) candidates were present.

One hundred and seventy (170) of whom were examined in all subjects, sixteen (16) in Commercial Law only, and six (6) in Auditing only.

Of the 192—108 were first time candidates; 42 were second time; 22 were third time; 11 were fourth time; 5 were fifth time; 1 was sixth time; and 3 were eighth time candidates.

As a result of the examination, thirty-six (36) candidates were found to have satisfactorily answered the questions, twenty-one (21) of whom having also qualified in character, training and experience received their certificates, the other fifteen (15) were withheld pending fulfilment of various requirements, principally practical experience.

One candidate (1) passed all subjects but Auditing and two (2) others all but Law, in which subjects they will be required to sit for re-examination.

During the year covered by this report there were thirty-five (35) certificates issued, the last numbered 723.

There are at the present time seventy-five (75) candidates who have successfully passed prior examinations but whose certificates are being withheld until all requirements are fulfilled.

We append herewith an alphabetical list of certificates issued since last report, showing number, name and date of issuance.

Respectfully submitted,

REGISTRATION OF CERTIFIED PUBLIC ACCOUNTANTS

ANNUAL REPORT

November 30, 1930.

MR. WILLIAM F. CRAIG,
DIRECTOR OF REGISTRATION,
STATE HOUSE, BOSTON, MASSACHUSETTS.

Dear Sir:—

The Board of Registration of Certified Public Accountants has the honor of submitting to you its seventh annual report as follows:

The Board at present consists of the following members:

	Terms Expire
Charles F. Rittenhouse, Chairman	1931
James J. Fox, Secretary	1934
Daniel B. Lewis	1932
Pitt W. Danforth	1933
Patrick F. Crowley	1935

During the year covered by this report, twelve formal and other informal meetings were held.

In line with the idea of raising the standard of requirements from applicants for registration as Certified Public Accountants to compare with those of other progressive States, we have this year made certain revisions in our rules.

The principal changes are the requirement of not less than three years' practical experience instead of two as heretofore, a more complete history of the applicants' education, training and experience with a recent photograph and the filing of new applications to take the place of those over two years old.

Under conditions set forth in the revised rules, our Board now grants certificates without examination to Certified Public Accountants of other States, which have standards comparable with our own, who become residents of Massachusetts.

The Board held its annual advertised written examination on May 15 and 16, 1930 at Horticultural Hall, Boston, Massachusetts which was open to all candidates whose applications were on file as follows:

May 15—Auditing, 9:00 A.M. to 12:30 P.M.

May 15—Accounting Theory and Practice, 1:00 to 6:00 P.M.

May 16—Commercial Law, 9:00 A.M. to 12:30 P.M.

May 16—Accounting Theory and Practice, 1:00 to 6:00 P.M.

Two hundred and ten (210) candidates were present. Of these, two hundred and two (202) were examined in all subjects, three (3) in Commercial Law only, and five (5) in Auditing only.

Of the 210—118 were taking the examination for the first time; 33, for the second time; 29, for the third time; 17, for the fourth time; 7, for the fifth time; 3, for the sixth time; and 1 each for the seventh, eighth and ninth times.

As a result of the examination sixteen (16) candidates were found to have satisfactorily answered the questions, twelve (12) of whom having also qualified in character, training and experience received their certificates; the other four (4) were held up pending fulfilment of various requirements, principally practical experience.

One candidate (1) passed all subjects but Auditing and two (2) others all but Commercial Law, in which subjects they will be required to sit for re-examination.

During the year covered by this report there were eighteen (18) certificates issued, the last numbered 741.

We attach hereto an alphabetical list of certificates issued since our last report, showing number, name and date of issuance.

Respectfully submitted,

DIRECTOR OF REGISTRATION,
STATE HOUSE, BOSTON, MASSACHUSETTS.

Dear Sir:— The Board of Registration of Certified Public Accountants has the honor of submitting to you its ninth annual report as follows:

The Board at present consists of the following members:

	Term Expires
Charles F. Rittenhouse, Chairman	1936
James J. Fox, Secretary	1934
Pitt W. Danforth	1933
Patrick F. Crowley	1935
*John J. Barry	1937

During the year covered by this report, twelve formal meetings and other informal meetings were held.

The Board held its annual advertised written examination on May 12 and 13, 1932, at Horticultural Hall, Boston, Massachusetts, which was open to all candidates whose applications were on file as follows:

May 12—Auditing 9:00 A.M. to 12:30 P.M.

May 12—Accounting—Part I 1:00 P.M. to 6:30 P.M.

May 13—Commercial Law 9:00 A.M. to 12:30 P.M.

May 13—Accounting—Part II 1:00 P.M. to 6:30 P.M.

One hundred and thirty-six (136) applications were received. One hundred and thirty-three (133) appeared for examination; one hundred and twenty-six (126) for all subjects, five (5) for Law only, and two (2) for Auditing only.

Of the one hundred and thirty-three (133) examined, seventy-eight (78) were College Graduates and one hundred and six (106) were between the ages of 21 to 35, and twenty-seven (27) were between 36 and 57 years.

As a result of the examination, fourteen (14) passed all subjects, nine (9) passed all but Law, and ten (10) all but Auditing.

We received a petition from the Massachusetts Society of Certified Public Accountants advocating a change of date in the annual examination from May to November, stating, that as a result of a liberal canvass by them, they were convinced that the best interests of the profession would be served by this change. Our Board also solicited information on this subject and came to the conclusion that this change would be of inestimable value to all concerned; therefore, it was voted to change the examination date from May to November.

We give you herewith an alphabetical list of certificates issued since our last report.

Respectfully submitted,

CODE OF PROFESSIONAL CONDUCT AND RECEIPT FOR
CERTIFICATE

Adopted by the Board of Registration of Public Accountants

CODE OF PROFESSIONAL CONDUCT

1. No holder of a certificate in practice as an individual shall use the phrase "and Company" and/or "Certified Public Accountants" as a part of the name under which he practices when no partnership actually exists.
2. To quote from Section 87-E, Chapter 470, Acts of the Massachusetts Statutes, "No partnership unless all of its members are registered under the provisions of this act and no corporation shall use the words 'Certified Public Accountants' in describing the partnership or corporation or the business thereof; provided that any partnership or corporation may represent that a specified person registered under said provisions is a member of such partnership or is in the service of such partnership or corporation."
3. A partnership or association using the description "and Company" or practicing under a firm name which does not disclose the identity of all of the members thereof is required to file with the Board of Registration the names and addresses of the members of such firm, it being understood that no member thereof is permitted to designate himself as a Certified Public Accountant unless he is so certified under the laws of the Commonwealth of Massachusetts. It is also required that the Board be advised of any subsequent change in the membership of such firm.
4. No holder of a certificate shall either certify to or sign his name to any accounts, exhibits, statements or schedules which have not been actually verified under his supervision or that of a member of his firm or of his staff.
5. No holder of a certificate shall prepare and sign or certify to any statement, exhibit, schedule, tax return, or other form of accounting work which contains an essential misstatement of fact or omission of fact, either known by him to be such a misstatement or which in the opinion of the Board of Registration should have been ascertained so to be by the exercise of reasonable diligence, care and professional knowledge.
6. No holder of a certificate shall offer employment to an employee of a fellow holder of a certificate without informing such holder of his intent. However, one may freely negotiate with anyone who, of his own initiative or in response to a public advertisement, shall apply to him for employment.

7. No holder of a certificate shall directly or indirectly allow or agree to allow a commission, brokerage, or other participation to anyone as a consideration for assistance in obtaining an engagement; nor shall he accept or agree to accept a commission or gratuity as consideration for commercial business which he may be instrumental in turning over to others incident to the services rendered to his clients.
8. No holder of a certificate shall solicit the clients or encroach upon the business of another holder of a certificate. It is the right, however, of any holder of a certificate to give proper service or advice, or to quote rates or give estimates of fees to those asking for such service, advice, or information.
9. No holder of a certificate who is in practice on his own account, or a member of the staff of a certified public accountant shall at the same time engage in any business or occupation which, in the opinion of the Board, is incompatible or inconsistent with the practice of a certified public accountant.
10. The holder of a certificate in quoting or estimating rates should place a value upon his services or those of a member of his staff which, at per diem rates, are consistent with the professional character of his services and which conforms within reasonable limits to the generally accepted rates charged by other reputable accountants for the same type of work.
11. The holder of a certificate should have due consideration for the generally recognized attitude of the profession with regard to the advertising in any manner of one's professional qualifications.

RECEIPT FOR CERTIFICATE

To the Board of Registration of Certified Public Accountants:

Inasmuch as I am being granted a certificate to practice as a Certified Public Accountant, in accordance with the provisions of Chapter 470, Acts of 1923 of the Massachusetts Statutes and additions thereto and amendments thereof, I hereby acknowledge that I have carefully read the accompanying rules and regulations pertaining to professional conduct, that I subscribe both to the spirit and the letter of such rules and that I agree to observe them faithfully in the performance of my professional work.

I further agree that I shall in all ways so conduct myself as to entitle me to the respect, confidence, and goodwill of my associates in practice, and to do all in my power to uphold and promote the standards of the accounting profession.

I understand and agree that the failure on my part to comply with any one of the rules to which I hereby subscribe, or to uphold and protect the high standards of the profession, in any manner whatsoever, will be grounds for my being requested to appear before the Board to show cause why my certificate should not be canceled, revoked or suspended.

*I hereby acknowledge the receipt of Certificate No.
